ings at expense of property owners (Harris.)

For payment of Dr. Schwallie of Naalehu for autopsy services, \$20 (Holstein).

Smith's bill relating to negotiable instruments, passed third reading without opposition.

The House refused to concur in the Senate amendments to the County Bill, and the Speaker appointed the following conference committee: Fernandez, Holstein, Haia, Harris, Waterhouse, Rice and Aylet. Waterhouse was later excused at his own request, and Kaleiopi appointed.

Rice's bill to amend the Revised Laws respecting juries and trials by jury, passed third reading without opposition.

Governor Carter's message respecting appropriations, with its accompanying act, was received and read.

THURSDAY, APRIL 6.

When the conference report on the County Bill came up, there was objection made from several quarters. Kaniho said the committee had increased one of the amounts in the bill, and Smith also objected to Hawaii being made into only one county, and refused his support to the bill on that ground. He declared that nine-tenths of the people of Hawaii were in favor of two counties and he solemnly accused the House of bad faith in not giving Hawaii what she wanted. Pulaa and Lewis were the others who opposed the bill.

On a vote being taken, the report was adopted by 25 to 4. Andrade being absent. After the vote was announced, he made his appearance and wanted to record his vote, but Speaker Knudsen ruled such procedure as illegal. Those who voted against the bill were Kaniho, Lewis, Pulaa and Smith.

The Committee on Public Lands and Internal Improvements reported on the following matters:

For new road to school house at Honaunau, S. Kona \$200. (Pulaa.) Recommended.

For five hours to constitute a day's work on Saturdays for government laborers. (Broad.) Recommended.

To convert Cocoanut Island, Hilo, into a public recreation ground. (Lewis.) Recommended that 2.4 acres be set aside on Cocoanut Island.

For the care of Mooheau Park \$4,000. (Kaniho.) Recommended tabled, provision for the park having been made.

For road roller, Puna, \$5,000. (Lewis.) Recommended.

For Ponahawai street, Hilo, \$1,000. (Lewis.) Recommended.

Petition for reduction of 75 per cent on Olaa holdings. (Smith.) Recommended refused.

Lane's Senate Bill for the licensing of pawnshops passed third reading.

Harris' House Bill to facilitate the collection of open accounts passed third reading.

FRIDAY, APRIL 7.

Holstein introduced a resolution providing that no new bills should be introduced after April 10, except appropriation bills. The purpose of this, Holstein explained, was to save time and make an extra session unnecessary. Fernandez wanted action indefinitely postponed, and when his motion was voted down, moved to adjourn. The resolution went over until Monday, the 10th.

The Committee on Public Lands and improvements reported adversely on the resolution of Greenwell, appropriating \$5,000 for water conservation at Kailua and Napoopoo sections of the Kona. The committee recommended it be considered with appropriation bill. The Health Committee reported against an appropriation for a hospital at Kohala, introduced by Pulaa.

The Committee on Education reported favorably on Senator Brown's bill for the establishment of a High School in Hilo.

SATURDAY, APRIL 8.

The Governor's veto of House

Bill 7, amending Section 1644 of the Revised Laws, especially with reference to the terms of court was received. The December term at Kailua is to be changed to November at Waiohinu, Kau, where the Governor said there were no accommodations for prisoners or witnesses. He believed the bill involved too great an expenditure of public funds. Action on the veto was deferred till Monday.

The Education Committee reported favorably on the petition to appropriate \$2500 for a 2-room school house on the Kaunana road.

There was a divided opinion in the report of the Finance Committee on Sheldon's bill to authorize the conclusion of a contract with the Inter-Island Telegraph Company.

Harris, Nakuina and Fernandez recommended the passage of the bill granting the wireless subsidy. Rice and Kaleiopi did not concur.

Holstein introduced a bill exempting from taxation for five years all property real and personal used in the production of rice. The bill was read a first time by title.

Holstein introduced a bill amending the act relating to driving or riding over bridges faster than a walk. It imposes a penalty of \$5 for infraction of the law provided that such penalty shall not be imposed when no signs have been placed on such bridges.

Senate Bill 23 (Brown), to provide for the establishment of a High School at Hilo, passed third reading.

MONDAY, APRIL 10.

Voters at Naalehu, Kau, petitioned for the building of a school at that place.

Other petitions were:
For the protection of small fish and fish beds. (Smith.)

For the division of appropriations for the district of North Kona. (Holstein.)

From voters of Hamakua asking for repeal of the wide tire act. (Fernandez.) To be transmitted to the Governor, the bill now being in his hands.

The following bills passed third reading:

Bill for reservation of a portion of Cocoanut Island as a public recreation ground. (Lewis.) Passed.

To amend Section 734, Chapter 53, R. L., relating to construction of side-walks. (Harris.) Recommended to Public Land Committee.

To amend Section 2693 of the Revised Laws increasing rate of interest on overdue accounts from six to nine per cent. (Waterhouse.) Passed.

To regulate the conduct of the trial of civil causes. (Long.) Passed.

To provide that five hours shall constitute a full day's work for eight hours pay on Saturdays for all mechanics, clerks, laborers and other employees on any public works whether by contracts or otherwise. (Broad.) Passed.

To provide for the protection of forest land from fire. (Waterhouse.) Passed.

House Bill 96, relating to attachments, was read for the third time.

A bill introduced by Lewis to declare land at Pihoonua, Hilo, a public recreation ground was read a first time by title.
